

Can I Do That? What You Can and Cannot Do...

At this event you will learn about Preventive Maintenance that you can accomplish on your aircraft and how to properly and legally sign off that work. Learn the truth about "Operating Limitations". Bring a copy of your Operating Limitations and we will discuss any issues you may have with your Operating Limitations. There will be an open discussion on all maintenance issues with Amateur-Built aircraft. So, have all your questions ready! Don't miss this exclusive briefing. Click on the link below and register TODAY. Also a special presentation will be given to a special person.

Directions: The event will be held in the Captains Cap Seafood restaurant in Belmont, NC.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAAFTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
